THE QUEEN INSURANCE COMPANY—*continued.*

IMPORTANT ADVANTAGES IN LIFE DEPARTMENT.

Policies granted on a Special Reduced System.—In order to meet the views of persons desirous of effecting insurances for the whole term of life, who find it inconvenient at first to pay the full Premium, this Company has adopted a *special scheme*, whereby the Premiums payable for the first *five* years will be found *unusually moderate*, while the Policy, at the end of that period, is entirely free from debt, thus avoiding the evil of the half-credit system. Under this Table persons may take out Policies at earlier ages, and at lower rates, than they could do under the ordinary system. An additional and most important advantage is thus afforded to the public, by which they are enabled to insure while young; whereas, if they were to defer doing so until they could pay the full ordinary Premium, sickness or ill health might overtake them, and render them unassurable lives.

Policies Indisputable after being Five Years in Force.—All ordinary Queen Policies (without exception) on which the age of the assured has been admitted, will, at the end of five years from their date, be absolutely indisputable, the only condition being the punctual payment of the Premiums with any extra Premium that may be exigible for foreign residence in cases where whole world license may not have been obtained.

Non-Forfeiture of Policies by the Issue of Free Paid-up Policies.—If a person, after having been assured for three years under the ordinary Whole Life Scale, at any age up to and inclusive of fifty-five, should wish to discontinue paying his Premiums, the Directors will issue a Policy for the amount of Premiums paid, together with any Bonus that may have been added, and free from any further payment whatever. This feature secures not only a provision in the event of premature death, but a remedy—*long desired*—should the payment of the Premium become an inconvenience.

Charges of Management.—The *Outside Expenditure* for the General Management of the Company, chargeable to the Life Department, is *absolutely restricted* by the Deed of Settlement to *Ten per Cent* of the Nett Life Income. Attention is especially called to this point, as the proportion of Premiums expended for Management *must largely influence Profits and Bonuses*.

Bonuses have been declared by the Company averaging 40 and 46 per cent of the Premiums paid by the Assured, and in some instances rising as high as 75 per cent.

Annuities, Endowments, Reversions, &c. granted on the most favourable terms.

FIRE DEPARTMENT.

Insurances against Fire may be effected with the QUEEN INSURANCE COMPANY on nearly every description of Property, both at Home and Abroad. The rates of Premium are moderate, varying according to the nature of the Risks.

Mercantile Insurances of every description undertaken at the usual rates.

Gas Explosion and Lightning.—Losses by Explosion of Gas and by Fire arising from Lightning made good.

Transfer of Policies to the Queen may be effected without expense or trouble to the Assured.

Losses promptly and liberally settled,

Prospectuses and every information may be obtained on application to any of the Company's Agents, or to the

PREFACE.

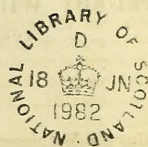

THE Publishers of the Post-Office Glasgow Directory beg to tender their sincere thanks for the continuous and generous support hitherto accorded the publication. The present issue is their forty-fourth edition, and they entertain the hope that it will merit and receive a similar reception. A work embracing so many miscellaneous entries requires a very great amount of application to render it accurate. Every available means have been used to secure this.

The assistance afforded by the gentlemen connected with the local institutions recorded in the appendix, in revising the preparatory sheets, is highly appreciated by the Publishers. It will be observed that in the street department the intersecting streets are inserted as they occur throughout the city, and that the suburban is entirely separate.

The map, specially prepared by J. Bartholomew, F.R.G.S., has undergone careful revision to date, and exhibits various additions to the improvements in last year's. The new railway lines and stations, so far as completed, and other works in localities recently built upon and occupied, have been added.

There is, as usual, an increase of names and other matter, considerably enlarging the volume.

POST OFFICE, GLASGOW, 30th May, 1871.

STAMP AND LEGACY DUTIES, &c.

THE following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97, with the Duty on Policies of Fire and Sea Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. New matter is put within brackets. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties.

The attention of the public may be directed to the following matters:—

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If

INVENTORY DUTY.

PROPERTY LIABLE TO THE DUTY.—*Generally*—All personal property (heritable securities are personal property) belonging to the deceased in the United Kingdom, heritable securities, and personal bonds excluding executors.—(48 Geo. III. c. 149, § 38, etc.; 55 Geo. III. c. 184, Schedule, Part III.; 21 and 22 Vict. c. 56, § 9, 12, 13, etc.; and 16 and 17 Vict. c. 59, § 8.)

Personal Property—*Absolute power of disposal*.—Personal estate which a person, dying after 3rd April, 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or movable estate of the person so dying, for the purpose of payment of inventory, probate, or administration duty. (23 Vict. c. 15, § 4.)

Indian Promissory Notes—*Ships*.—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration before the death of the owner; also Indian Government promissory notes with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate, and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1); also any *ship*, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 and 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

Specialty Debts.—For probate and administration duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland, in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

Foreign Bonds and Stocks.—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country, if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country.—See Attorney-General v. Bouwens, 4 Meeson & Welsby, 171.

Rents of Heritage.—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August, 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

MODES IN WHICH DUTY MAY BE PAID. *When deceased domiciled in Scotland*.—In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Commissary Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made movable by the Act 31 and 32 Vict. c. 101, § 117, and duty may be paid on a "special inventory" of the heritable securities excluding executors and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the United Kingdom.—In case of a person dying domiciled furth of the United Kingdom, leaving personal estate in Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. No return to be granted in respect of a voluntary debt due from a person dying after 28th June, 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person.—(24 and 25 Vict. c. 92, § 3.)

Note.—Forms of inventory and additional inventory will be found in the *Juridical Styles*, vol. iii., App. pp. 8-11. Forms of inventories, and also regulations for return of inventory duty, may be obtained at the Office of the Solicitor, Inland Revenue, Edinburgh.

LEGACY DUTY.

Legacies, Annuities, Residues, &c.

	Duty per cent.
To children or their descendants, or lineal ancestors, - - - -	£1 0
Brother or sister, or descendants, - - -	3 0
Uncle or aunt, or their descendants, - -	5 0
Grand uncle or aunt, or descendants - -	6 0
All other relations, or strangers, - - -	10 0
The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 and 17 Vict. c. 51, § 11.)	

This duty is payable for every legacy out of the personal or movable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any estate which he has power to dispose of, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or movable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument.

Annuities commencing to be payable on the death of persons dying after 19th May, 1853, are valued for legacy duty according to tables annexed to the Succession Duty Act (16 and 17 Vict. c. 51); and annuities commencing to be payable previous to that date, by the tables annexed to the Legacy Duty Act (36 Geo. III. c. 52).

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies, under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

Duty on legacies and residues in arrears, interest thereon at the rate of 4 per cent. is payable (31 and 32 Vict. c. 124, § 9).

Printed forms and regulations for payment of the legacy duty may be obtained gratis, on application at the Legacy Duty Office, Inland Revenue, Edinburgh; and at the offices of distributors of stamps in the country.

SUCCESSION DUTY.

(17 and 18 Vict. c. 51.)

The duty on HERITABLE PROPERTY is charged on the annual value, after allowance of the necessary outgoing (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

PERSONAL PROPERTY is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is charged as personalty (§ 1).

Brothers and sisters of the father or mother of the predecessor and their descendants, £5 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
 2. Any succession of less value than £20 in the whole (*ib.*).

ADJUDICATION.

DOUBTS as to SUFFICIENCY of STAMPS MAY BE REMOVED.

The commissioners may be required to express their opinion as to duty. Mode and effect of proceeding.

—§ 18. (1.) Subject to such regulations as the commissioners may think fit to make, the commissioners may be required by any person to express their opinion with reference to any executed instrument upon the following questions:—

- (a.) Whether it is chargeable with any duty;
- (b.) With what amount of duty it is chargeable.
- (2.) If the commissioners are of opinion that the instrument is not chargeable with any duty, such instrument may be stamped with a particular stamp denoting that it is not chargeable with any duty.
- (3.) If the commissioners are of opinion that the instrument is chargeable with duty, they shall assess the duty with which it is in their opinion chargeable, and if or when the instrument is duly stamped in accordance with the assessment of the commissioners, it may be also stamped with a particular stamp denoting that it is duly stamped.
- (4.) Every instrument stamped with the particular stamp denoting either that it is not chargeable with any duty, or is duly stamped, shall be admissible in evidence, and available for all purposes, notwithstanding any objection relating to duty.

—An instrument upon which the duty has been assessed by the commissioners shall not, if it is unstamped or insufficiently stamped, be stamped otherwise than in accordance with the assessment of the commissioners.

Nothing in this section contained extends to any instrument chargeable with duty, and made as a security for money or stock without limit.

(c.) *Also instruments which cannot be stamped.*—

Nothing in this section contained shall be deemed to authorize the stamping after the execution thereof of any instrument prohibited by law from being so stamped.

Persons dissatisfied may appeal.—§ 19. (1.) Any person who is dissatisfied with the assessment of the commissioners made in pursuance of the last preceding section may, within twenty-one days after the date of such assessment, and on payment of duty in conformity therewith, appeal against such assessment to Her Majesty's Court of Exchequer in England, Scotland, or Ireland, according to the country in which the case has arisen, and may for that purpose require the commissioners to state and sign a case, setting forth the question upon which their opinion was required, and the assessment made by them.

Mode of proceeding.—(2.) The commissioners shall thereupon state and sign a case accordingly, and deliver the same to the person by whom it is required, and on his application such case may be set down for hearing in the proper court.

(3.) Upon the hearing of such case (due notice of which is to be given to the commissioners) the court shall determine the question submitted, and, if the instrument in question is in the opinion of the court chargeable with any duty, shall assess the duty with which it is so chargeable.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence

thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

(5.) But if the assessment of the commissioners is confirmed by the court, the costs incurred by the commissioners in relation to the appeal shall be ordered by the court to be paid by the appellant to the commissioners.

The commissioners may call for and refuse to proceed without evidence.—§ 20. (1.) In any case of application to the commissioners with reference to any instrument, the commissioners may require to be furnished with an abstract of the instrument, and also with such evidence as they may deem necessary, in order to show to their satisfaction whether all the facts and circumstances affecting the liability of the instrument to duty, or the amount of the duty chargeable thereon, are fully and truly set forth therein, and may refuse to proceed upon any such application until such abstract and evidence has been furnished accordingly.

Affidavit not to be used otherwise. *Persons paying full duty relieved of penalty, etc., for omission to state truly in instrument.*—(2.) Provided that no affidavit or statutory declaration made in pursuance of this section shall be used against any person making the same in any proceeding whatever, except in an inquiry as to the duty with which the instrument to which it relates is chargeable; and every person by whom any such affidavit or declaration is made shall, on payment of the full duty with which the instrument to which it relates is chargeable, be relieved from any penalty, forfeiture, or disability he may have incurred by reason of the omission to state truly in such instrument any of the facts or circumstances aforesaid.
